

## NTI Referral Program

### Refer new students and earn \$50!

NTI is out to change the world - one bite at a time - one student at a time! We hope you can help be an NTI Advocate and spread the message of holistic nutrition and health-centered culinary to family and friends.

Not only will you be helping NTI's overall mission: "*Creating Optimal Health Through Nutrition Education*", but you can also earn a gift card in the process!

Please review the FAQs and terms for participation in the NTI Referral Program. **Anyone** is eligible to participate to be awarded a \$50 gift card.

### FREQUENTLY ASKED QUESTIONS

#### ***How do I answer questions about NTI?***

We would love for you to answer whatever questions you are comfortable with. If someone wants to know more details about the Nutrition Therapist Master Certification or Natural Food Chef program, feel free to direct them to the Admissions team at [admissions@ntischool.com](mailto:admissions@ntischool.com)

#### ***How do I get credit for the referral?***

Please ensure your referral mentions your name before they register for their first course so you get the credit!

#### ***When do I get the gift card?***

Once the new student successfully completes two courses in the NTMC program or completes the NFC program at NTI, we will contact you to check in about your desired gift card.

#### ***Is there a limit to how many people I can refer?***

No, there is not! We want to reward all students/graduates who refer new students. You will be rewarded with a \$50 gift card with each referral.

#### ***How is the Referral Program different from the Affiliate Program?***

The Referral Program is a great opportunity for those who have organic conversations that come up occasionally about Nutrition Therapy Institute. When you refer someone to our programs, you will receive \$50 after a student has successfully completed their second NTMC course or the full NFC program. The Affiliate Program offers a larger and quicker payout (\$150

INSTITUTE**

per referred student that is paid after a student completes their first NTMC course or the full NFC program) and is great for people who already post on social media, have a regular newsletter they send to their subscribers, or know of a handful of people who have mentioned they want to go to school. The Affiliate Program also gives access to resources like ready-to-use social media posts and talking points to help you easily introduce NTI to your community.

There is no wrong option!

### **TERMS & CONDITIONS**

Anyone is eligible to participate in the NTI Referral Program to receive a \$50 gift card of their choice. The new student must notify NTI of the referrer before registering for their first course at NTI. If the new student does not notify NTI in this timeframe the referral gift is forfeited. The new student must then successfully pass two courses in the Nutrition Therapist Master Certification or fully complete the Natural Food Chef program before the gift card is provided to the referrer. Any gift card that does not have a service fee (i.e. Visa) can be requested; the gift card sum will be \$50 per referred student. There is no limit to the number of students an individual can refer; \$50 is awarded for each new referred student, as long as all conditions are met.
